

XENOCENTRISM - RESEARCH DIRECTIONS

Mihai BURLACU¹

Abstract: *The paper presents the concept of xenocentrism and research directions for the study of xenocentrism in Romania. The purpose is to emphasize that ethnocentrism is not the only phenomenon that affects the way we see other cultures. This article took into consideration the articles about xenocentrism from recent books on this subject.*

Key words: *ethnocentrism, xenocentrism.*
