

# PRACTICAL ASPECTS OF WORK ASSISTANCE OF THE ADULT PERSONS WITHOUT SHELTER

Raluca ZANCA<sup>1</sup>

**Abstract:** *The practice of social work, specifically of homeless should not be outlined without models, actions or the development of assistance of relationship. To create a relationship based on trust, to communicate efficiently or to apply the theoretical models does not constitute the guarantee of success in homeless work. This part of social work carries moments of tension, frustration for the person who wants to help.*

**Key words:** *homeless, motivating/demotivating elements, success, failure, communication, collaboration, help, social reinstatement.*
