

# THE ROLE OF THE “SCHOLA CORONENSIS” SECONDARY SCHOOL FOUNDED BY JOHANNES HONTERUS IN THE EVOLUTION OF THE GERMAN MUSIC EDUCATION IN BRAȘOV

Maria-Ecaterina HANKE<sup>1</sup>

**Abstract:** *In the development of the Transylvanian Saxons' music life their direct and indirect connections with their place of origin have been felt from the beginning of their settlement in the 12<sup>th</sup> - 13<sup>th</sup> century until nowadays. Thus this can account for the effort they have made to keep up with the achievements in Western Europe and especially those in the German territories.*

**Key words:** *school, education, music.*
