

AT THE PIANO WITH FREDERIC CHOPIN

Corina Daniela IBĂNESCU¹

Abstract: *Chopin's music distinguishes through the sincerity and force of thinking, through the profoundness and simplicity of expression. The way which Chopin always found those sounds that were perfect to express his ideas is very interesting. It gives the listener the impression that there isn't anything to add or to exclude from his music.*

Key words: *piano, instrumental, music.*

* Transilvania University of Brasov.
