

TUDOR CIORTEA ASPECTS OF MUSICAL CRITICISM

Petre Marcel VÂRLAN*

Abstract: *Together with the contribution of other musicians who were active in the field of the musical criticism during the first half of the 20th century, the composer Tudor Ciortea brought an important contribution to the outlining of the musical life of Bucharest, his articles constituting important documentary proofs.*

Key words: *Ciortea, musical criticism, 20th century.*

* Dept. of Musical Pedagogy, Transilvania University of Braşov.
