

COUNTERFEIT AND LEGAL REGULATIONS OF THE EUROPEAN UNION

C. A. GHEORGHE¹ C. DUGULEANĂ²

Abstract: *A universally accepted definition of counterfeit doesn't exist, although there are different definitions of the term and the activities strongly related to it. The interest changes sometimes according to the context in which it is used. The counterfeit gives birth to a multitude of negative consequences, not only for the original producers, but also for the consumers.*

Key words: *counterfeit, legal regulation of the European Community, legal internal regulation, consequences.*
