

GENERAL ASPECTS REGARDING VOLUNTARY ACTIONS IN ROMANIA

Marinela-Cristina SIMON¹

Abstract: *Voluntary action in the non profit sector, in general, and in the social domain, in particular, has started developing after 1989. This article regards only a few general aspects of the voluntary action such as: the defining of the concept, a short history, and not lastly, the importance of voluntary action from a social and economic perspective.*

Key words: *voluntary actions.*
