

THE EUROPEAN JUDICIAL CO-OPERATION

Roxana Anca BULARCA ¹

Abstract: *The paper presents the implementation of the common policies in civil and commercial matters regarding the administration of evidence as part of judicial research. The European Union Treaty has been followed by a series of communitarian regulations referring to issues that have been discussed by the Member States. The judicial co-operation represents an important aspect for the protection of European citizens' rights and freedoms, and the goal to be achieved is the one of elaborating an unique European Procedural Civil Code.*

Key words: *European, proof, civil, commercial, Regulation, court of law*
