MIHAI CIUCA AND THE FIGHT AGAINST MALARIA

Assoc prof *Liliana Rogozea* MD, PhD
Faculty of Medicine, University “Transilvania” Brașov.

About the professor Mihai Ciucă we can say a lot of thinks but the synthetic way is to use Shakespeare words: “He hath better bettered expectation than you must expect of me to tell you how”. Secretary of Malaria Commission of the League of Nations, professor of Iași and Bucharest, M.Ciucă was a leadership intelligent and enthusiastically worker in the battle of fighting with malaria.
